PERENNIAL

PORCELAIN ROOFING™

designed to endure

DESIGNED TO ENDURE

A roof should be more than just an architectural feature. It is the protector of the home, resisting the elements as it emanates style and luxury.

It should be as strong as it is beautiful, to withstand the harsh exteriors while maintaining its timeless quality and finish.

With our patent pending Perennial Roofing tile design, your roof is crafted to endure the seasons.

PERENNIAL PORCELAIN ROOFING

LUXURY & LONGEVITY

THE LEADERS OF LUXURY

70+ YEARS OF QUALITY AND OUTSTANDING SERVICE HAVE MADE DAL TILE AN INDUSTRY LEADER.

Since 1947, consumers have trusted Dal tile as the premier provider of tile products, whether it be porcelain, ceramic, or any other material. We manage the largest distribution network in North America - with over 255 sales service centers, 40 slab yards and showrooms, and new locations opening every year.

COMBINED WITH OUR PARENT COMPANY MOHAWK INDUSTRIES, DAL-TILE MANUFACTURING PLANTS PRODUCE NEARLY 700 MILLION SQUARE FEET OF PRODUCT PER YEAR.

It's this amazing range of products that makes us a convenient and knowledgeable choice for any design. Style is the hallmark of our brand, and as experts in porcelain tile, we are proud to expand our offering to the roofing industry, with options sure to suit any taste.

WHY ROOFING?

More than seven decades of experience working with tile, we understand the value of durability

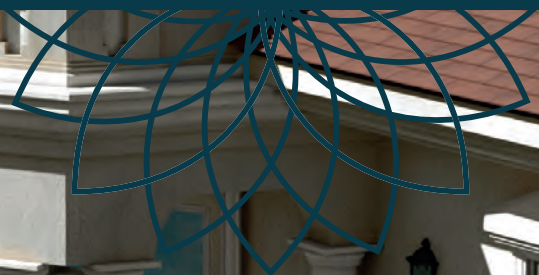

We know the materials that can withstand extreme wear and tear

We know luxury and longevity - two qualities every roof should have

Comprehensive expertise resulting in roofing tiles with timeless beauty and everlasting quality - all while being affordable and easy to install

WHY PORCELAIN?

Why is porcelain the ideal roofing material choice for new build or remodeled homes? Durability, beauty, and easy installation.

Made from only three natural ingredients – clay, sand, and feldspar – porcelain is synonymous with strength. It is resistant to scratches and abrasion, has very low water absorption (<0.5%), a high breaking strength, and it is resistant to stains, chemicals, and algae growth.

-  Resistant to Frost
-  High Breaking Strength
-  Impervious to Water
-  110 mph Wind Rating
-  Class A Fire Rating (Fire Resistant)
-  Class IV Hail Impact Rating*
-  Lifetime Limited Warranty
-  Walkable
-  Made In The USA
-  Fast & Easy Installation
-  Low Overall Weight +

Our installation process, with interlayment, makes our product much lighter than other refined tile and slate, allowing your dreams of a gorgeous, enduring roof to become a reality.

DESIGNED WITH PROCESS IN MIND

Perennial Roofing is designed to benefit every person in the building process, from distributor to homeowner. We strive to offer only the best designs, materials, and solutions for your needs - no matter what part of the process you are in.

ROOF CONTRACTOR

The benefit:

Satisfying an eagerness to provide a solution.

- Cost effective
- A product that is easy to install
- Durability and warranty

DISTRIBUTOR

The benefit:

Confidence from a brand that sells.

- Easy to work with
- Complete access to information
- A selection of highly desired products
- Brands they can stand behind

BUILDER

The benefit:

Trusting a leading brand with a reputable history.

- High-performing materials
- Products that are easy to install
- Low environmental impact
- Staying within budget and timeline

ARCHITECT REP/ SPECIFIER

The benefit:

Providing the homeowner with the perfect solution for their home.

- Stylish and durable products
- Latest technology and design trends
- Low environmental impact
- Happy homeowners

HOMEOWNER

The benefit:

Pride and peace of mind in the end result.

- Durability and warranty
- Easy maintenance
- A sound investment
- A beautiful home

THE BENEFITS ARE ENDLESS

Perennial Porcelain Roofing tiles are extraordinarily strong with timeless beauty - making them easy to sell, easy to install, and easy to bring luxury to any home. The result is an efficient building process and happy homeowners - every time.
